Synopsis Books:

After many years as a successful pastor, Brian McLaren has found, as more and more Christians are finding, that none of the current strains of Christianity fully describes his own faith. In *The Story We Find Ourselves In* -- the much anticipated sequel to his award-winning book *A New Kind of Christian*-- McLaren captures a new spirit of a relevant Christianity, where traditional divisions and doctrinal differences give way to a focus on God and the story of God's love for this world. If you are searching for a deeper life with God-- one that moves beyond the rhetoric of denominational and theological categories-- this delightful and inspiring fictional tale will provide a picture of what it could mean to recapture a joyful spiritual life.
