Synopsis Books:

The extraordinary conclusion to the critically acclaimed Riverman trilogy.

Keri Cleary is worried about her brother, Alistair. As the one witness to a shooting, he has been shocked into near silence. But Keri--and everyone else--needs to know the answers to three questions: Who shot Kyle Dwyer? Where is Charlie Dwyer? What does this all have to do with the disappearance of Fiona Loomis?

Perhaps the answers lie in stories. As Alistair makes strange confessions to his sister, Keri becomes inspired. She tells stories, tales that may reveal hidden truths, fiction that may cause real things to happen. In the concluding volume of the Riverman Trilogy, readers are asked to consider the source of inspiration, the borders of reality, and the power of storytelling.
