As a single mother, Destiny makes sacrifices for her children including saying goodbye for the summer so they can spend time with their father and stepmother. Though she'll miss them with all her heart, the time alone gives her an opportunity to address her own needs, like finish getting her college degree. But Destiny's friends think her summer should include some romance.

Destiny doesn't want to be set up until she meets Daniel. The handsome, warm and charming pastor soon sweeps Destiny off her feet. But is romance what she really wants? Or needs?

As the days pass, Destiny will make new discoveries about herself, the man she's fallen for, and the people around her. And she'll face challenging choices. But most of all, she'll grow in ways she never imagined, learning unexpected lessons about trust, forgiveness, and the price of motherhood and truly become the woman she wants to be.
