## Synopsis Books:

There's no escaping the man at the heart of his memories.

Three years ago, David and his college roommate, Ethan, were on the brink of unimaginable success, ready to revolutionize an industry and reap billions. Then David accidentally revealed the attraction he'd never wanted to feel, and certainly never meant for Ethan to see. Mortified, he ran from everything that mattered the fledgling company he'd helped to build, the bright future he'd worked to secure, and the man he couldn't let himself want.

Now he's built a new life for himself. So what if it's not the one he hoped for? He's learned to look only forward, and not to envy the success Ethan achieved without him. He's even learned to cope with the nightmares. The panic attacks. The failed relationships with women.

When an opportunity arises to enjoy a once-in-a-lifetime getaway to a private island resort, David never suspects a trap is about to be sprung. One where he'll be forced to face the truths from which he's been hiding and the man from whom he's never stopped running.

**Warning:** *This book contains erotic waffles, sexual math, blatant ABBA worship, "kidnapping", nude napping, dog-napping, journal hijacking, betrayal, redemption, and red-hot man love so poignant and passionate, you won't know whether to say "awwwwwwww" or "ooooohhh!".*
