Synopsis Books:

Under the reign of Louis XV, corruption and intrigue have been allowed to blossom in France, and Justin Alastair, the notorious Duke of Avon and proud of his soubriquet 'Satanas', flourishes as well. Then, from a dark Parisian back alley, he plucks Leon, a redheaded urchin with strangely familiar looks, just in time for his long over-due schemes of revenge on the Comte de St. Vire. Among the splendours of Versailles and the dignified mansions of England, Justin begins to unfold his sinister plans -- until, that is, Leon becomes the ravishing beauty Leonie...

Unanswered questions.

Lovely, titian-haired Leonie, ward of the dashing Duke of Avon, had all Paris at her feet. Yet her true origins remained shrouded in mystery. And neither the glittering soirees nor the young aristocrats who so ardently courted her could still the question that plagued her young heart.

What was her mysterious parentage?

Just one man held the secret, the one she feared most in the world--the iron-willed Comte de Saint-Vire, deadly enemy of the Duke. He would give her the answer--for a price. But could she betray the man she secretly, helplessly loved? And could this proud young beauty bear to face the truth when it came?
