## Synopsis Books:

Calling all tools to the workbench! Aaron Meshon's follow-up to *Take Me Out to the Yakyu*, which *The New York Times Book Review* calls a definite home run, hits the nail on the head.

In a messy yard, a busy day begins for a team of tools. With a *click, click* and a *bang! bang!*, everyone from Wrench, Hammer, and Screwdriver right down to Nuts and Bolts is pitching in to make a shed. Okay, crew! Whos ready to build?

From hammer and wrench to awl and vise, readers will construct a vocabulary of terrific tool terms as they learn the importance of teamwork.
