## Synopsis Books:

Eadwulf is given to Vikings as a tribute to stop them from plundering. Bjarni, the Viking who takes him as his thrall, plans on using Eadwulf for pleasure.

While initially reluctant to submit to his new Viking master, Eadwulf quickly learns about the forbidden pleasures and has to struggle to resist the stronger man. But does he really want to?

This 13000 word story contains a strong and dominant Viking, a reluctant and feisty virgin Saxon slave, a seductive bath in a lake, rough oral sex, a facial and rough anal sex. All sex takes place between fictional characters aged 18 or older. For ADULT readers only.
