Synopsis Books:

USA TODAY BESTSELLER

Beards, brothers, and bikers! Oh my!

Identical twins Beau and Duane Winston might share the same devastatingly handsome face, but where Beau is outgoing and sociable, Duane is broody and reserved. This is why Jessica James, recent college graduate and perpetual level-headed good girl, has been in nave and unhealthy infatuation with Beau Winston for most of her life.

His friendly smiles make her tongue-tied and weak-kneed, and shes never been able to move beyond her childhood crush. Whereas Duane and Jessica have always been adversaries. She cant stand him, and shes pretty sure he cant stand the sight of her

But after a case of mistaken identity, Jessica finds herself in a massive confusion kerfuffle. Jessica James has spent her whole life paralyzed by the fantasy of Beau and her assumptions of Duanes disdain; therefore shes unprepared for the reality that is Duanes insatiable interest, as well as his hot hands and hot mouth and hotter looks. Not helping Jessicas muddled mind and good girl sensibilities, Duane seems to have gotten himself in trouble with the local biker gang, the Iron Order.

Certainly, Beaus magic spell is broken. Yet when Jessica finds herself drawn to the man who was always her adversary, now more dangerous than ever, how much of her level-head heart is she willing to risk?
