Synopsis Books:

Evan is hiding his urges for other men the only way he knows how--by pretending to live a life of wenching, and by seeking the needle of tattoo artists who impart a kind of guilty pain. But when he meets Gabe, owner of the Twisted Cherry tattoo parlor, he cant hide his desire for the hot and sexy guy. Gabe, openly gay, proceeds to show Evan how he can be tattooed not just by a needle, but by stinging hot love too.
