## Synopsis Books:

J.D. Sterling, the sexy star of country music, had come back home to McKenna Springs, Texas. Years before, he had left to chase his dream and had succeeded. His life was almost perfect. Almost. He was still missing the part of his heart he had left behind Mandy Lawson.

Amanda Lawson had changed from the young, innocent Mandy the teenager madly in love with the bad boy from the wrong side of the tracks. Heartbreak and tragedy would do that to a person. She was determined to keep her well-ordered, work-driven life on the successful path she had fought to achieve on her own. No singing cowboy with a devil's smile in his green eyes and a sexy body in tight jeans was going to be allowed close enough to break her heart again.
