Synopsis Books:

Unideate: 2080- 2096 is the second released novel of the Unbelieve series and stands as the prequel to the science-fiction novel, Unbelieve: 2096. Farren Maverick wants nothing more than to break through the walls of the New World. It's been all he's ever wanted since his grandfather first told him of the Old World land and sky. He needs to see this for himself, he believes. He needs to explore! He needs to dream! And above all else, he needs to live.
