Synopsis Books:

The second novel in Ronnie Douglas sexy Southern Wolves motorcycle club series reminiscent of Kristen Ashley and Jay Crownover tells the story of an aspiring fashion designer and a biker who discover a desire that knows no limits.

When the daughter of one of the Southern Wolves gets a flat in the middle of a thunderstorm, there's only one thing to do: strip down to her underwear and get a little muddy. But when Alamo, the sexy biker shows up to rescue Ellen yet again, things are bound to get a whole lot dirtier.

Between the trouble he left behind and club rules, Alamo knows he needs to stay clear of Ellen. He's not looking for a woman or complication even when that woman is everything a man could want. Unfortunately, Ellen isn't playing by anyone's rules but her own these days, and a Southern woman who's been raised by Wolves is awfully hard to deny.

So when they give in to their raging attraction, both get much more than they bargained for.
