## Synopsis Books:

Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, bondage, sex toys, public exhibition  
When Dr. Cameron Dalton agrees to treat an entire pack of shifters dying from a form of parvo, he has no idea that he'll be getting more than he bargained for. He definitely doesn't expect to be peed on by an adorable golden retriever puppy upon arrival. A bit stunned, Cameron can't believe the sexy little man is his mate.

Quaid Sedgwick is excited to see that his best friend, Toby, has returned. But when he catches the most delicious smell and follows it to an equally delicious-looking man, instinct kicks in, and Quaid pees on the man, claiming him as his mate.

Cameron comes to learn Quaid is hiding something from him, and he suspects the worst. But is he jumping to conclusions, or is Quaid just not the mate Cameron was led to believe?
