Synopsis Books:

While many self-help materials suggest that listeners should try to discover the meaning and purpose of their lives by looking within themselves, Rick Warren says that is the wrong place to start. Warren writes: You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. Warren then helps readers understand why they are alive and God's amazing plan for them-both here and now, and for eternity-guiding them through a personal spiritual journey that will transform their answer to life's most important question: What on earth am I here for? The Purpose Driven Life is a blueprint for Christian living in the 21st century.
