Synopsis Books:

The Universe has completely dumped on High School senior Kelsey Quinns life. Credit card at Nordstroms? Deactivated. Honda Accord? Sold. Life in the burbs of Chicago? Gone. And its all her sisters fault. Yep. Drugs, alcohol, and getting caught with the bosss son was all it took. Dad loses job, family loses money, and the next thing she knows shes crammed in a cell on wheels for the next two days as they make their way to a dilapidated farmhouse in Texas. But Kelsey doesnt just leave the good life in Chicago. She leaves the boy who-has-it-all, Drew Montgomery.

Hillside senior, quarterback, Austin McCoy works for Kelseys dad at the feed store and helps with the farm chores in the morning. He sees through Kelseys surly attitude to the girl whose eyes light up when shes with the animals. He is determined to help Kelsey see that not only does she love the Farmville life, but that the guy she really wants is him.

Will Austin convince Kelsey hes the guy she wants? Will Kelsey embrace the simple life and find forgiveness for her sister?
