## Synopsis Books:

My life used to be simple. Then a PI showed up, asking about a missing ex of mine. A corpse and a vampire attack later, I've got a guardian dragging me further in to the world of magic with a gift of magic I never knew I had. Now I'm getting pulled into vampire politics, the arcane drug wars, and trying to get the hang of magic. Saving my own skin, much less anyone else's, is looking like a tall order now...
