Synopsis Books:

Whod want to kill a dumb cartoon bunny?

Thats what Eddie Valiant wants to know. Hes the toughest private eye in Los Angeles, and hell handle anything if youre human. If youre a Toon, thats another story.

Eddie doesnt like Toons those cartoon characters who live side-by-side with humans. Not the way they look, and especially not the way they talk: word-filled balloons come out of their mouths and then disintegrate, leaving dust all over his rug.

Eddie will work for a Toon if his cash supply is low enough. So he reluctantly agrees when Roger Rabbit, a Toon who plays straight man (or should that be straight rabbit) in the Baby Herman cartoon series, asks him to find out whos been trying unsuccessfully to buy his contract from the DeGreasy Brothers syndicate.

Then Rocco DeGreasy is murdered and Roger is the prime suspect! The rabbit is also, as Eddie soon discovers, very, very dead.

Who censored Roger Rabbit? And who shot Rocco DeGreasy? Was it Roger, or was it Roccas hot-cha-cha girlfriend, Jessica Rabbit? Why had Jessica a pretty steamy number for a Toon ever married a dopey bunny in the first place? And why does everybody want Rogers battered old teakettle?

As Eddie combs L.A. from the executive suites of the DeGreasy Brothers to Sid Sleazes porno comic studio, he uncovers art thefts, blackmail plots... and the cagiest killer hes ever faced.

In Who Censored Roger Rabbit?, author Gary K. Wolf has created a wonderfully skewed and totally believable world compounded of equal parts Raymond Chandler, Lewis Carroll, and Warner Brothers. This riotously surreal spoof of the hard-boiled detective novel is packed with action and laughs. From first page to last, Who Censored Roger Rabbit? is sheer delight.

Celebrated author Gary K. Wolfs cult classic and highly praised novel Who Censored Roger Rabbit? is the basis for the blockbuster Walt Disney/Steven Spielberg Academy Award winning film Who Framed Roger Rabbit.
