## Synopsis Books:

### **Beyond Earth lies eternity.**

*New York Times* best-selling writer Robert Venditti (*Book of Death*, *X-O Manowar*) and visionary artist Ral Alln (*Ninjak*, *Hawkeye*) forge a new legend for Valiant's master of war! For five millennia, the Eternal Warrior has shaped history at the end of his sword. He's razed empires, toppled civilizations, and broken armies as an immortal soldier in service to the Earth. But now, the Eternal Warrior has been torn from the world he once protected and finds himself stranded in a hostile alien landscape unlike any he's faced before. Separated from his earthly environs, can history's deadliest soldier survive a realm far older, far deadlier, and far more ruinous than anything he's ever encountered?
